Summer Menu Issue 3

We're all going on a Summer.....!

BBQs and Seaside holidays are the tone of the new Summer menu. The Great British summertime is here and with it come the strawberries but there are loads of other tempting seasonal ingredients to be picked, caught and eaten! New potatoes are plentiful but so are legumes: peas, sugar snaps, and broad beans are at their sweetest. Crab and Sardines are also brilliant at this time of year. So here's the plan.... book a table on the terrace, order a nice chilled bottle of rose and see what treats you can find on the menu. Easy!
